Spirit of Math Portal Invitation 2020-02-16 9:01 PM SIRS:0059133

Sun 2020-02-16 9:02 PM

Dear Raya

In the interest of providing families with a convenient and user-friendly registration experience, we are introducing our online "Student Information & Registration System" or SIRS. Ultimately, this online portal will be used by you to register your child into our after-school classes.

This is an invitation to access the online parent portal to SIRS. The first step we request you to complete is create an account and log into the portal and check if your information is correct, and, if necessary, to update and correct that information. We have gone to great lengths to make this a very straightforward, user-friendly experience.

We plan to begin using the SIRS portal in April 2020 for pre-registration for the upcoming school year. The payment processing segment will also be rolled out in stages, so online payments by credit card, which we are moving towards as a quick and convenient option may not be available for all campuses. We will keep you posted on this development and look forward to working with you on these next steps.
